

Hi my name is Axel and I study the german language and literature as my major. I start my third year of my bachelorstudies in the fall of 2024. I am originally from the beautiful naturecity Espoo located in the Helsinki metropolregion and I have lived in Turku for about two years. I am currently this summer 2024 on my Erasmus exchange in Regensburg in the beautiful state of Bavaria in germany.

In my free time i like to walk and enjoy the nature. I have also been active in the scouts for about 15 years. My camera also comes with me to the nature or trips very often.
