

# Hello!

My name is Dedar, and I am excited to be your tutor for the upcoming year at Åbo Akademi University. I'm currently pursuing my Master's in Social Exclusion, a subject that I am deeply passionate about. Originally from Bangladesh, I bring a diverse perspective to our discussions and activities.

Outside of my studies, I enjoy visiting the archipelago, walking in nature, and fishing in my free time. I am also an active member of our ÅAU Equality Committee, where I work to promote inclusivity and fairness within our university community.

I'm here to support you as you navigate your academic journey. While I may not have all the answers, I'm familiar with the ins and outs of Åbo Akademi and can guide you to the right resources.

I look forward to meeting you all in September and embarking on this exciting journey together. Enjoy your summer and don't hesitate to reach out!
