

Hello hello,

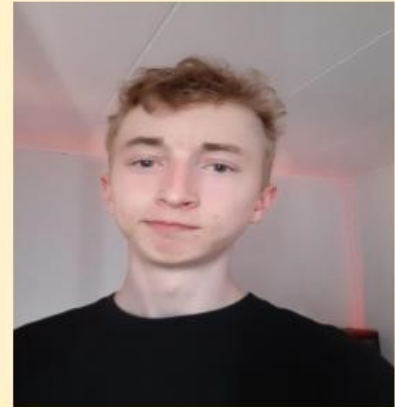

My name is Jonatan Edström and I'm a tutor for exchange students at Åbo Academy University.

I'm from a small town called Pietarsaari and I'm in my second year of studies in Computer Engineering.

In my freetime I like to play piano and travel. I also like to meet new people and cultures.

I am excited to meet you all in autumn!

If you have any questions or just want to chat feel free to reach out to:
